

GVR/ Valley Players Membership Meeting
17 Dec., 2023

Present: Lance, Chris, Joe , Sophia , Sheila , MaryEllen , Kären ,
Dave , Regina, and Cal

Irene confirmed present membership is 29.

Treasurer Irene confirmed we are in a good financial position with a
current balance of \$17, 749.49.

She then received a check from United Methodist Church for
a Readers performance Saturday , Dec. 16, 2023 in the amount of \$50.

Lance asked for Library Reader dates in the New Year and Kären said she has requested
space with Don Scarlett at the United Methodist Church on Jan. 12.

Note: The date has just been confirmed by Don today, 12/18/23.

The library has confirmed Feb.02 and Mar. 01 for performances.

Regina announced some exciting news for the Casa Community Readers group.

Because of changes occurring there we will only be able to meet at Casa until
the end of January 2024 so she has received confirmation from the Santa Cruz Shoestring
Players Board to accept our group under their aegis ; we are to be known as the
Santa Cruz Shoestring Readers. This will mean no restrictions as to who may read,
it is open to everyone. We will meet regularly at CPAC where we will have more exposure,
we will be able to read short and full length scripts and perform them in front of live
audiences. There is one more step before this becomes a reality in that Regina needs
confirmation of this plan by the CPAC Board which should be coming soon .

It was asked, and confirmed by Regina , that it is not meant to , nor should it supplant
GVR/Valley Players and/or the Library programs

The GVR/Valley Players next scheduled meetings are Jan.14 and 28 in the
Ocatillo Room at La Campañas , 12:30 pm.

This ended the meeting and the group went on to read scripts.
